## St Thomas Street

### Invitation to our Second Public Exhibition

**EDGE and Simten Developments would like to invite neighbours to a public exhibition for our proposals for Becket House, 60-68 St Thomas Street.**

Following our recent public exhibition in November, we invite you to view our updated plans prior to submitting a planning application to Southwark Council. Learn more about our plans for sustainable office space and give feedback at a public exhibition on **Tuesday 14th January 2020** at The Hive, Team London Bridge. Further details can be found overleaf.

We hope you will be able to come along and view the plans.

If you are unable to attend the exhibition, you will be able to view the presentation materials and provide feedback via an online form by visiting the project website from Wednesday 15th January at: [www.60stthomasstreet.co.uk](http://www.60stthomasstreet.co.uk).

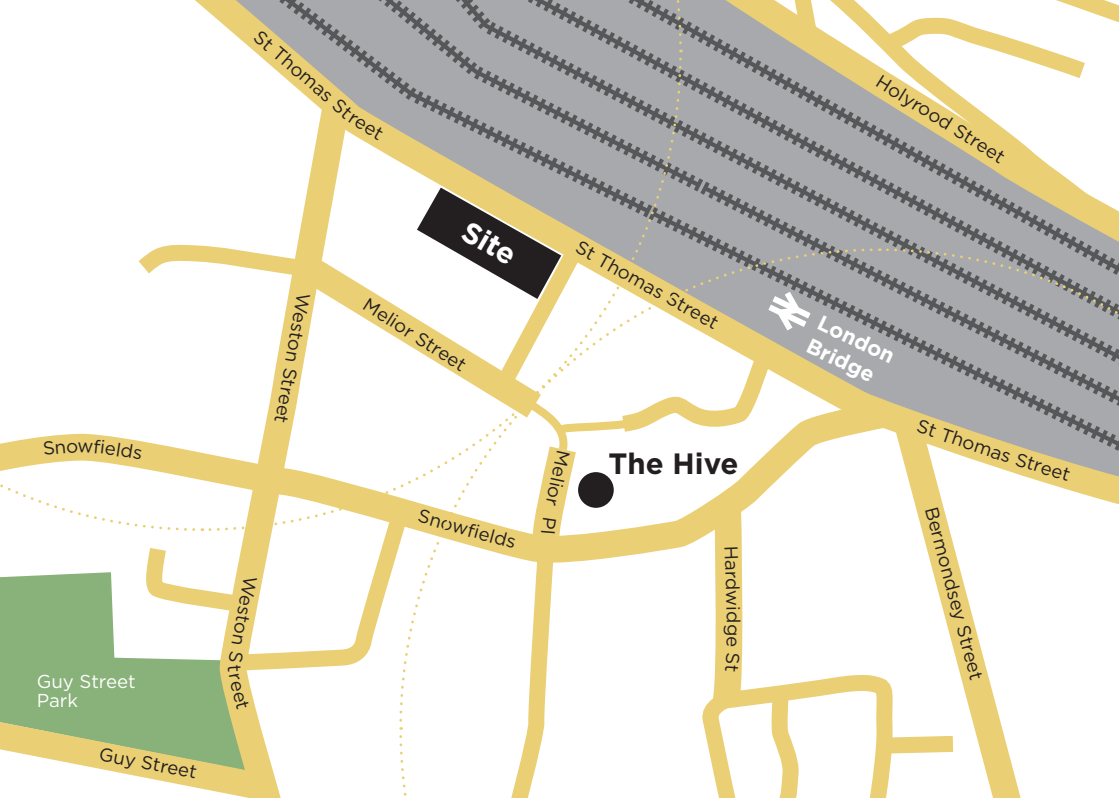

#### **The scheme**

As you may know, EDGE agreed to buy the site from Columbia Threadneedle in June 2019 with the intention to deliver new high-quality, sustainable office space.

The update will provide a further look at the plans for the employment and office space as well as public realm, public open space and landscaping, which will aim to contribute to the wider regeneration of St Thomas Street.
